Primary School**

Our Christian value for this term is Forgiveness.

### Welcome back.

We would like to wish you all a very Happy New Year from everyone at Roos C.E. Primary, we hope everyone has had a lovely Christmas break. Thank you for all your support and goodwill Christmas messages to the team. The cards and gifts are not expected but as always you are so generous and kind to us and we thank you all so much. It has been lovely to see the children in again and the light nights returning. We are hoping to start introducing some more after school clubs after February half term, if Covid restrictions allow. Watch this space for more info to follow.

We would like to thank Mrs Ellis for her many years of hard work as she leaves us at the end of the week. We are also sorry that Miss Medcalf is also leaving us this week too. We know you will join us in wishing them well for the future.

We hope all the information you will need is in our newsletter. Further information, if required, will be sent out when dates/events have been confirmed.

## School Games Mark

The School Games Mark aims to provide every child with a positive experience in an environment where the young person's motivation, competence and confidence are at the centre of the competition.

The government's plan for childhood obesity and their ambition is to require all young people to be active (moderate to vigorous physical activity) for at least 60 minutes every day. 30 minutes required is parental responsibility and 30 minutes required is within the school day. In school, the children throughout Key Stage 1 and 2 will be taking part in intraschool based competitions each week. This will provide them with the opportunity to practise their skills, keep active and take part in competitions throughout play and lunchtime break. The children will also have their P.E. sessions and take part in the daily mile. Opportunities for interschool competitions (competing against other schools) will hopefully take place in the summer term.

This year, we will be aiming to achieve The School Games Mark, which will recognise our commitment to developing competition within school and into the community to allow the children to compete and achieve their personal best.

For ideas on how to keep your child active at home, check out the 'Change for Life' link <https://www.nhs.uk/healthier-families/activities/> to.

## School Council

Our newly elected school council have had a busy start to the term planting some new trees on the school field. The trees were donated in aid of Parkinson's UK, with thanks to Wadsworth Osteopaths of Beverley.

School Council will also be running Fairtrade fortnight as we return from February half term. More information will follow on Dojo.

## Dog Blog

What a start to the New Year I have had. Everyone has welcomed me with open arms and it has been so exciting to meet all the children and experience all the new sights and smells. I just have to compliment all the children on their Stella breathing which helps me to feel safe when I go to see everyone in their classrooms.

My favourite part of last term was being able to walk with everyone on the Reindeer Romp. I loved seeing the wave of antlers in front of me. I am looking forwards to seeing more of the children as I am allowed into the classrooms and playtimes.

We would so like to say a massive thank you to the Friends of Roos School for funding the training for Stella which has allowed her to come into school.
